

📌 1. Basic Motto of the Society – Surah Aal-e-Imran (3:104)

Assalamualaikum wa Rahmatullah doston! Mera Name Humna Imran or me Ai Section A ki GR or Islamic Philosophy society me Women Wing ki Head hun. Sb sy pehlay me apko society ka motive clear kerdun jo Hmari society ka slogan hay — Surah Aal-e-Imran, Ayah 104

"Aur tum mein se ek aisi jama'at honi chahiye jo nek kaam ki taraf bulaye, bhalaai ka hukum de aur burai se roke – aur wahi log kaamiyab hain."

Allah Ta'ala farmata hai ke "tum sb ek jama'at ho" – yeh jama'at passive logon ki nahi hoti. Yeh woh log hote hain jo action mein hote hain, jo achhai ki taraf daawat dete hain, aur burai ke samne khamosh nahi rehte.

To Islamic Society ka maksad yehi hai:

- Ek **jama'at** banani,
- Jo **dawat-e-khair** ka kaam kare,
- Jo **collective level** par kaam kare.

Yeh kisi ek shakhs ka frz nahi hai. Yeh hum sab ki collective zimmdari hai.

Aap soch rahe honge:

"Har society walay aate hain, membership ka keh ke chale jaate hain..."

Lekin Hum yahan koi promotion karne nahi aaye Ya Hum members chase nahi kar rahe.

Ham Apni zimmedari nibhanay

Aur ek amanat aap tak pohchanay aye hain

kal aap Day of Judgment pe yeh na kahain k:

"Mujhe kabhi kisi ny nh bataya tha ke Muslim ban'ne ka matlab sirf naam ka Muslim hona nahi hai Practicing hona b hay..."

Ab sabse aham, sabse muskil lekin sabse zaroori point...

Boycott Matters Campaign.

Aur sabse common objection:

"Boycott se kya hoga yaar?"

And let me say this honestly:

BILKUL theek keh rahe ho!

Agar boycott akelay karo, to waqai kuch nahi hota.

Lekin suno:

Kya jab tum boycott karte ho, aur tumhara dost bhi karta hai, aur uska dost bhi karta hai, aur unka family bhi karta hai... to kya tab bhi kuch nahi hota?

Collective boycott = Real impact.

History uthaa kar dekh lo:

- South Africa ke racial segregation ka system boycott se gira.
- Palestine ke masail par aaj brands apni image damage hone se dar rahe hain – **kyun?** Kyun ke collective pressure hai.

Boycott tab kaam karta hai jab wo sirf ek choice nahi, ek movement ban jaye.

Aur movement ka matlab hota hai – **unity, organization,** aur **leadership.**

Lekin agar aap usko action mein lana chahte hain – toh we need you.

5. QR Code Sheet – Ready Ho to Join Karna

Agar aap genuinely interested hain, agar aapne andar se feel kiya ke:

“Yaar, main sirf baith kar complain nahi kar sakta. Kuch karna padega.”

To hum aapko ek QR Code wala sheet dein ge.

Yeh QR code seedha **General Secretary ke WhatsApp** pe link karega – jahan aap:

- Apna naam aur batch share karein
- Aur wahan se aapko society ka **first orientation session invite** milega

No spam. No force. Just serious logon ke liye serious dawat.

Aakhir mein sirf itna kehna chahunga:

Yeh society koi elite club nahi hai.

Na yeh sirf Islamic Studies walon ke liye hai.

Yeh har us shakhs ke liye hai jo:

- **Apne deen ko samajhna chahta hai**
- **Apne zameer ke mutabiq kuch karna chahta hai**
- **Jo Islam ko Scientific deen smjhta hay**

**Yeh ek platform hai growth ka,
Ek safe space hai learning ka,
Aur ek movement hai action ka.**

Magar sirf un logon ke liye jo sincere hain.

Socho mat ke tum kafi achhe nahi ho.

Bas yeh socho ke kya tum ready ho?

Agar haan – to hum tumhare sath hain.

Aaj se. Isi waqt se.

Jazakumullah Khair.

Assalamualaikum wa Rahmatullah.
